

BUSINESS RISK MANAGEMENT LTD

50 ways to improve your audit reports 6 August 2020

Why you should attend

- Writing effective audit reports must be the most important aspect of the Internal Audit process.
- It is the main deliverable and the way your whole audit is judged
- Why then does this often seem to be such a difficult process?
- Is it because we do not really appreciate what the recipients really need?
- Or is it that we feel that we need to explain the issues in depth to ensure we have credibility.
- This webinar is designed to challenge your thinking about the whole approach to writing reports

Attending this webinar will help you to

- Implement 50 proven ways to improve your audit reports
- Simplify the reports and enhance their readability
- Significantly enhance their impact
- Make your reports easier to write and easier for management to implement
- Focus on the future impact
- Avoid unnecessary words and phrases
- Deliver a balanced message

Webinar timings

- 9am (UK Time)
- 90 minutes followed by 30 minutes for questions and discussion
