

# BUSINESS RISK MANAGEMENT LTD

## **50 ways to improve your reports Webinar Series 1 2 hours 4 June 2020**

### **Why you should attend**

- We all have to regularly write reports. Why then does this seem to be such a difficult process?
- Is it because we do not really appreciate what the recipients really need?
- Or is it that we feel that we need to explain the issues in depth to ensure we have credibility.
- This webinar is designed to challenge your thinking about the whole approach to writing reports

### **Attending this webinar will help you to**

- Implement 50 proven ways to improve your reports
- Simplify the reports and enhance their readability
- Significantly enhance their impact
- Make your reports easier to write and easier for management to implement
- Focus on the future impact
- Avoid unnecessary words and phrases
- Deliver a balanced message

### **CPE credits**

- Participants will receive a certificate of attendance and will earn 2 CPE credits in the Auditing field of study.
