

BUSINESS RISK MANAGEMENT LTD

50 ways to enhance the ERM process

Webinar 2

2 hours

9 June 2020

Why you should attend

- The turmoil in the world is intense– with previously unimaginable events, leading to volatile stock markets, rapidly fluctuating oil prices and natural disasters of a scale previously thought unimaginable.
- In this time of global uncertainty how do you steer a course through these difficult waters? The answer is to recognise that the only real link between all these events – is RISK – and then enhance mechanisms to anticipate, manage and control these issues on an enterprise-wide basis

Attending this webinar will help you to

- Implement 50 proven ways to improve your ERM process
- Deliver an ERM process that is managed top-down rather than bottom-up
- Directly link risk management with Strategy setting and deliver more informed decision-making
- Identify over-managed as well as under-managed risks
- Re-evaluate your attitude to and appetite for risk taking.
- Determine a specific target for each risk
- Transform risk management into an agent for positive business change.

CPE credits

- Participants will receive a certificate of attendance and will earn 2 CPE credits in the Auditing field of study.
