

## 150 ways to improve your audit reports

### Who should attend?

- New internal auditors – to enable them to learn the most up to date techniques
- More experienced auditors or other assurance professional who want to significantly improve their reports
- Personnel in other functions who need a wider understanding on the modern internal audit role or improve their reports

### Why you should attend

- Writing effective audit reports must be the most important aspect of the Internal Audit process. It is the main deliverable and the only written information audit customers receive
- This 2 day course is designed to challenge your thinking about the whole approach to writing and reviewing audit reports – it is targeted at both newer auditors and also more experienced personnel

### Course Level

- This is an intermediary level course it is advisable that delegates have 6 months experience in Internal Audit or other assurance functions
- There are no minimum educational requirements
- No advance preparation is required
- Delivery method – Group-live (with exercises to simulate audit scenarios and situations that delegates will encounter)

### After completing this course you will be able to

- Simplify your reports and enhance their readability
- Significantly enhance the impact of your reports
- Make your reports easier to write, easier to review and easier for management to implement
- Improve the acceptance and implementation of your recommendations

- Create more focussed audit opinions
- Reduce the lead time for their issue
- Avoid unnecessary words and phrases
- Benchmark your audit reports against worldwide best practice
- Influence management more effectively
- Negotiate more successful outcomes

## **CPE credits**

- Participants will earn 14 CPE credits in the Auditing field of study

Business Risk Management Ltd is registered with National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors.
